Declarations

Important: No list of questions can be exhaustive and we must ask you to consider carefully whether there is any information not given herein which could influence our acceptance of this proposal. Material information includes any special, unusual or otherwise relevant features of the property, its occupation or its location which might make losses more likely to happen or to be more serious or costly than might otherwise be anticipated. You should disclose any information which might be relevant. Failure to do so could invalidate your policy.

Declaration: I declare that to the best of my knowledge and belief that the answers herein are true and that all material information has been fully disclosed. I agree that this proposal is for insurance in the normal terms and conditions of the insurer's policy and shall be incorporated into and form part of the insurance contract. I undertake to inform insurers, in writing (email included) and immediately, of all changes before and during the policy period.

Notice: The information provided on this proposal form will be made available to any other insurer, broker or authority who might make an enquiry regarding the veracity of statements made regarding the information provided in any proposal form, claim form or other document or any statement made orally or electronically.

By signing this form you acknowledge that the information here-in is true and correct and forms the basis on which the insurance is provided.
